NEW TO CARLISLE TMC AUTOBODY

New to Carlisle this year is TMC Autobody. The owner, Craig Peters recently relocated his body work shop to Garfield Street because of the MLK Parkway expansion project. What a perk for us! TMC Autobody works with two frame machines and a paint booth that withstands temperatures up to 140°F. Due to the multiple frame machines, you're able to have same-day delivery. On top of every-

thing, Peters offers free loaner cars for the duration of your car's stay. Don't miss your chance to help support one of Carlisle's newest additions!

WELCOME TO THE FOLLOWING NEW MEMBERS:

Once operated by Al Olson, the torch has now been passed to his sons, Matt & Mitch Olson. Although they may be from different generations, don't expect any downfall in quality. The Olson's will keep the suds comin!

HEARTLAND CHALLENGE SUMMARY

The first ever GBC Heartland Challenge, presented by PIAA, was filled with plenty of racing action. Even the wind and snow could not keep racers and spectators alike from having a good time.

The GBC Heartland Challenge 3-hour Youth endurance race was the first youth team race of its kind. The vitality of youth was definitely an advantage for the young racers, as the cold didn't really seem to faze

them much. The youth racers kicked off Saturday morning and ran for 3 hours. The teams consisted of 2-3 man teams. Each team had their own strategy in racing. Our local boys brought home 1st Place Trophies.

Gabe McCaughey of Carlisle, son of Mike McCaughey and Patti Isley was the lucky winner of the 90cc Kymco Mongoose that was given away to one of the youth

racers.

Dave Porzi from Pennsylvania was the lucky winner of a 2008 Polaris 525 Outlaw given away in a drawing from gate admissions. Overall the GBC Heartland Challenge was a big success and despite the cold, most racers had a great time and vowed to return to race in next year's event, which is already in the planning stages.

REGIONAL LEGISLATIVE LUNCHEON

The Regional Legislative Luncheon flew in a whirlwind of friendly faces and good food. On November 20th, the Carlisle Chamber hosted a Regional Legislative Luncheon to allow regional legislators to explain what they foresaw as the major issues they would be addressing this term. The turnout was rather successful with Senators Stacie Appel and Matt McCoy, State Representatives Jodi Tymeson and Kent Sorenson attending.

At the meeting, held at Stadium View, every legislator was allowed a time slot with which to present their goals and plans. After each speech, an opportunity was provided for a question and answer period.

After the legislators, other persons were allowed to comment. This group included representatives of the Des Moines Partnership, the Warren County Economic Development Corporation, and presidents of local Cham-

bers of Commerce from Norwalk, Indianola and South Des Moines.

The South Des Moines Chamber will be hosting this event next year.

Newly elected State Representative Kent Sorenson was one of the legislators present.

DECEMBER

REGULAR CHAMBER MEETING

The Regular Chamber of Commerce meeting for December was hosted at the Historic Randleman House at 245 Penn Street in Carlisle. Thanks to Larry Watkins for catering this luncheon and to the Historical Society ladies who served the food and prepared the homemade desserts to complement the meal.

A tour of the house was given to those in attendance. The house was decorated beautifully for Christmas and was enjoyed by all!
