THANKS TO MWA

MWA has awarded a grant again this year to enable the Beautification Committee to continue their efforts in Community Beautification and with improvements to the Rain Garden at the Summerset Bike Trail-head.

However, these beautification projects could not be completed without all the help from several volunteers in the community.

If you would like to become a volunteer to help with watering/weeding/etc, please contact Ethel Lee at 515.402.1008.
