The Warren County Economic Development Corporation (WCEDC), Indianola Chamber of Commerce, Simpson College Enactus, Right Teaching and Etc!Graphics have partnered together to bring small businesses and the self-employed various free small business workshops.

Funding for the Learn Grow Succeed workshops came from Simpson College Enactus and WCEDC. The organizations involved plan to hold three to five workshops.

"We do have a budget, of course," said Deb Downey, workshop instructor and owner of Right Teaching. "The number we decided on was three to five right now depending on interest. If there is sufficient interest, I'm sure we'll do more." Downey says these workshops will allow entrepreneurs to focus and improve upon different areas of their businesses. "I've been a small businesses owner, and as a small businesses owner, I found there wasn't enough time to do a great job at everything: marketing, keeping up with online resources and running the business," Downey, said. "When I did set aside time to focus on a particular part, I was able to increase my success in that area. So these classes are an opportunity for them to set aside that time to focus on a particular piece of business."

Businesses can contact Deb Downey for more information about the workshops via email at debdowney@rightteaching.com.

BEAUTIFICATION UPDATE

It is that time of the year again when we think about getting the hanging planters ready to place along First Street and Downtown.

We are putting the plea out again for any volunteer helpers to do the watering. The plants have to be watered every day. We take turns a week at a time. The more helpers we have the less number of days we are responsible for. Last year we had nineteen different sets of people that did the watering. It would be wonderful if we could find a couple more volunteers for this year. Good news is, you do not have to use your own vehicle. The City of Carlisle is furnishing a truck for us again this year.

Volunteers that helped last year were: Ruth and Darrell Fetters, Denny and Mary Keeney, Les and Paralee Lane, Gerald and Minnie Argo, Keith and Kathy Churchill, Wayne and Kathy Fleishman,

Carroll and Wanda Hunter, Chuck and Pat Brehse, Larry and Lou Pezzetti, Jim and Cindy Keeney, Russ and Linda Goodsell, Bill and Kay Scholl, Scott James, Casey & Jim Peterson, Don Sones, Lyle & Carolyn Rothfus, Kirby & Barb Monroe, Dorothy Lumsden, Kathy Betzer, Neil Ruddy, Darl and Ethel Lee. Substitutes were: John Bankus, Mike Anthony and Brownie Polley. THANKS TO ALL OF THESE PEOPLE FOR THEIR HARD WORK.

Anyone who is interested in lending a helping hand, either with planting, watering or

MWA Grant award of \$350 has been received for the Rain Garden

financially, please contact Ethel Lee at 515-402-1008. Your assistance will be greatly appreciated. Special recognition will be given to donations of \$200 or more!

TREES PLEASE GRANT

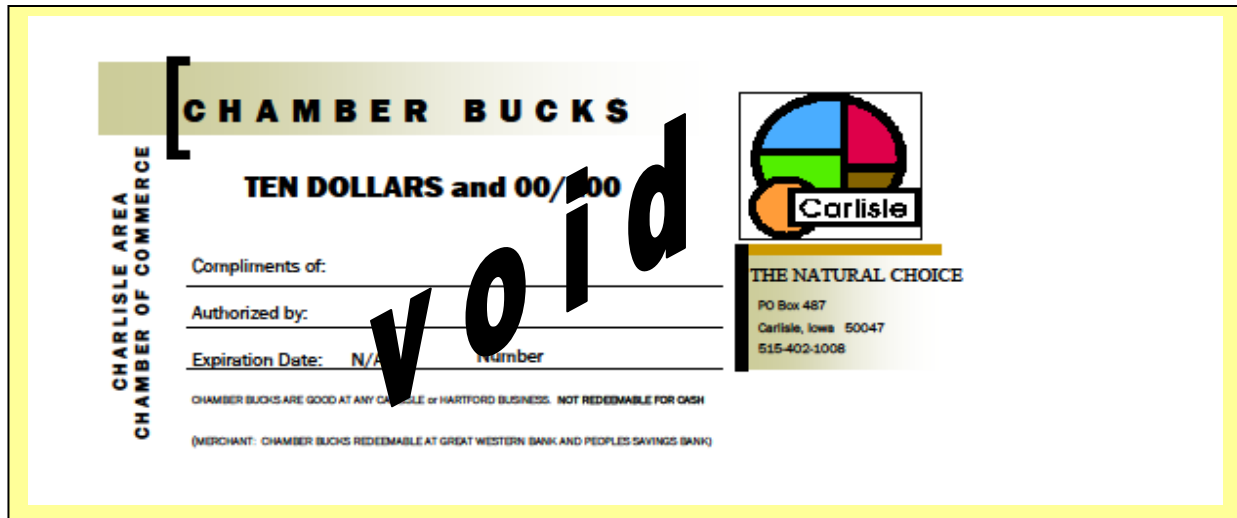

A TREES PLEASE Grant has been received recently from MidAmerican Energy in the amount of \$1000. These funds are being used to plant 6 Spring Snow Crabapple trees along the east side of First Street. Wyckoff Heating & Cooling have matched the amount of trees to be planted in this location. The Spring Snow Crabapple tree is a 'fruitless tree' which is ideal for sidewalks.

Pictured is Ethel Lee accepting the \$1000 check from Les Hartshorn, a MidAmerican Energy representative.
