Business Profile: *Coco and Nini's is a family owned and operated Italian Restaurant, Lounge, and Catering in Carlisle. They have been open in Carlisle since July of 2019. Coco and Nini's is owned by James and Tierney Hamm, they have 2 children Alexis & Mario one who has graduated Carlisle High School, and the other is currently attending. They started in Carlisle because of its small town feel, and wanted to be a part of a community that they can give back to and will support them. The name Coco and Nini's comes from James' Great-Grandmother who was an immigrant from Italy and did not speak a lot of English. She had trouble pronouncing James' Mother and Aunt's names Collette and Nanette so she nicknamed them Coco and Nini, the name has stuck ever since. Coco and Nini's offers casual dine-in, with a full bar, and patio to enjoy in the Spring and Summer. They offer a wide variety of Catering for any event that you may have. Being a Chamber member they have helped with the promotion of our business and gave us more connections in the community and surrounding areas. James and Tierney enjoy giving back to the community in any way that they can, and hope to continue for many years to come.*
