## **"Summerset Bike Trail Signage"**

The Chambers Summerset Bike Trail Sign is outdated and your Chamber is working to have a new sign up this spring.

All members will have a QR along with a map that will direct bikers to our businesses. Carlisle is well known for its bike trails and we know it is used a great deal, but we want the bikers to stop and see what all Carlisle has to offer.

Sponsorship - we have one (1) spot left for sponsorship! As a Chamber member, we are offering our members the opportunity for Sponsorship on the new sign. Cost is \$500 for a year to be a sponsor. If you are interested contact the

Chamber office.

This map will also be added to our website and in our directory that is printed each year going out to over 4500 businesses and residents.

A special thank you to *Etc!graphics, Inc.* for all their work on updating the map and sign. Thank you to *Cyber Solutions* who will be inputting all the QR codes for all of our businesses.

Your Chamber is working very hard to make sure everyone knows what Carlisle has to offer and encourage everyone to stop and shop at Carlisle.

## SPRING IS HERE WITH A LOT OF CONSTRUCITON - SUPPORT OUR LOCAL BUSINESSES

A great deal of improvement projects is going on in Carlisle with detours and repairs. When working on improvements it may interfere getting to our businesses, city or schools. Lets all be patient, it will be over soon. In the meantime, please continue to stop and support our local businesses. It may take some extra time and effort, but we need to continue to give them our support.

Check [carlisleiowa.org](http://carlisleiowa.org) or the Carlisle City Facebook for information on street closings or repairs.
