ACCOMPLISHMENTS & Vision

It has been my privilege as board president of the Carlisle Chamber of Commerce to lead this organization in 2024. This has been a year of great accomplishment and growth, as well as plans for the future.

Our membership continues to increase as the community of Carlisle grows. Our **new members** include: platinum members Dawn Guyer, Realtor with Broker-eXp Realty, and Toad Valley Golf Course; gold member 1-Tom Plumber; silver members Carlisle Family Dentistry, First Family Church, and Siders Roofing; bronze members Ocean Breeze Wellness & Massage and Stephany Goodhue with Coldwell Banker & American Group; basic members Addington Place of Des Moines, Iowa Firm Foundation, The Kiln Room, and The Twisted MANE; non-profit members Born To Be Wildlife Rehabilitation Network, Carlisle Farmers Market, and Friends of Carlisle Parks; and individual member Mark McGee.

We started the year off with our **annual dinner** to celebrate the previous year's accomplishments at a new location, Toad Valley Golf Course, one of our newest members. It was wonderful to have everyone in the same room while enjoying a delicious catered meal from the golf course, networking, and recapping the prior year.

The Chamber hosted its first **annual golf outing** this summer at Toad Valley Golf Course. We had 18 foursomes and more than 30 sponsors participate in our inaugural golf outing. Thank you to all the participants and sponsors for making our first golf outing a success. We are looking forward to providing our members with a fun golf outing again next year.

This year we also hosted our first-ever **Outdoor Family Movie Night**. The inaugural event was sponsored by Chamber members and provided Carlisle area residents and all Chamber members with hot dogs, chips, popcorn, water, yard games, face painting, a bubble station, coupons for free ice cream cones, and a movie on a large blow up screen under the night sky. The Chamber accepted freewill donations at the movie night, which were given to the families of the car accident that took the life of one of our Carlisle students and injured two others. Thank you to Cyber Solutions, Medicap Pharmacy, Sister's Place, the City of Carlisle, The Carlisle Citizen, Sprouts Early Learning Academy, The Twisted Mane, Fareway, Hy-Vee, and Fiss' for sponsoring our first outdoor movie event.

We have continued to provide **Lunch & Learn** opportunities for our members and the community by bringing in speakers with informative programs that were of interest to our members. In addition to learning about a new topic, our Lunch & Learns are a great way to network, as are our Pub Crawls. We offer two Pub Crawls each year — one in the spring and one in the fall — which have continued to be well attended and received by our community and local businesses. I'd like to extend a thank you to Sister's Place, LaVilla, VFW Carlisle, 2 Brothers Mexican/American Restaurant, Coco & Nini's, and Johnny & Mike's Pizza

& Stadium View for continuing to partner with the Chamber to offer this wonderful networking opportunity for our members and the community.

The Chamber hosted our annual **PumpkinFest** event, increasing attendance and Chamber member participation while offering fall and Halloween fun for all ages. We also held our annual **Light Up Carlisle** event, giving our members another opportunity to showcase their businesses to residents and offering children the opportunity to see Santa in-person and receive a treat from him.

We have continued to meet with local non-profit organizations several times throughout the year to bring awareness to each other's missions and to support one another. The Chamber also invites all local non-profit organizations to attend our Chamber Board meetings to share information on their organizations, and we actively promote their upcoming events.

The Chamber has spent that past year

maintaining and building upon our strong relationships with our city, school and county entities. We routinely have representation at city council and school board meetings, and the Chamber held an **appreciation breakfast** for Carlisle Community School District's teachers and staff. The appreciation breakfast is just one small way the Chamber and its members are able to show gratitude for the countless hours teachers and staff pour into our town and its children. The Chamber has also continued to offer **Coffee with Elected Officials** events, giving our members and the community an opportunity to meet with, hear from, and ask questions of our House and Senate Legislators, Warren County Supervisor, Mayor of Carlisle, and Carlisle Community School District Superintendent.

We have continued to work closely with the Indianola and Norwalk chambers of commerce to host county-wide events, including the annual **Women's Mentoring breakfast**, **Elected Officials Forums**, and the annual

Warren County Elected Officials Breakfast.

The Carlisle Chamber has also worked closely with Warren County Economic Development Corporation and given presentations to the Warren County Leadership Class and participated in the National Balloon Classic.

Lastly, we have expanded the bike trail map on the SummerSet Trail. Many bikers and outdoor enthusiasts come into Carlisle via this trail. We want to ensure these individuals see all Carlisle has to offer and that they make pit stops at our local businesses. Thank you to Sister's Place, Morning Glory Coffee, and Des Moines River Dental Care for helping to sponsor the sign and etc!graphics Inc. for developing the map and sign to reflect updated and accurate information for our town. All our Chamber members' information is available by scanning the QR code on the sign thanks to Cyber Solutions.

The Carlisle Chamber is always working for the greater good of our community, which has been a major goal of my tenure. I have confidence that the future of our organization, under the

direction of our upcoming president and board of directors, will be stable and positioned for growth. I look at the past year as being just the start toward accomplishing the many goals I set for the chamber. We have gotten the ball rolling on discussions to beautify the city of Carlisle through various projects and to further connect with our members and the community through new events. We also aim to improve our social media presence and the communication with our members.

As your 2024 president, I look forward to the leadership of our 2025 board of directors and wish to thank each of the board of directors, both past and present, for their hard work and dedication. Thank you for your support and for putting your confidence in me to be your chamber board's president. Thank you also to our executive director, Shar Pardubsky, who works to make the Carlisle Chamber one of the best in our region. We promise to continue to work to keep our Carlisle businesses and organizations strong!

As the vice president of the Carlisle Chamber of Commerce, I am looking forward to serving our community and advancing the goals and supporting the mission of our organization and the businesses it serves. My vision and objectives for 2025 include:

- Developing a plan and project to improve the appearance of, and increase traffic to, Carlisle's business district.
- Ensuring chamber members feel their membership has value and substance.
- Increasing the chamber's presence within our community.
- Continuing to bring value-added speakers for

our Lunch & Learn series.

- Strengthening the chamber's relationships with the city of Carlisle, Carlisle Community School District, and Warren County Economic Development Corporation.

PAIGE SMOTHERS
Vice President

I anticipate 2025 will be another year of strong growth and success. As we work together as a cohesive unit, we can and will do great things for the community of Carlisle.

More at TRUBANK.BANK

CITY OF CARLISLE

Downtown Carlisle offers many opportunities to residents. With several wonderful restaurants and some planned improvements like parking lot updates and additions to the greenspace around the Chamber, Carlisle is looking to reinvest in itself and become even more attractive than we already are.

Residents get to enjoy the small-town Iowa feel while being close to some of Iowa’s favorite places to have fun. Carlisle is only 20 minutes from downtown Des Moines, 15 minutes from the Blank Park Zoo and 30 minutes from Lake Red Rock. Residents looking to go a little farther away from home can enjoy a short 15-minute drive to the Des Moines International Airport.

Carlisle is a safe community with municipally operated police, fire and EMS services. We are fortunate to have a strong public works department and municipal electric utility. Both crews work tirelessly to provide quality service and keep disruptions to service extremely low. We have an active public library and parks and recreation department that offer an ever-growing number of fun programs geared toward all age groups. A strong school district affords our youth opportunities for growth. Visitors and residents alike can enjoy a wonderful aquatic center, our 3.5-mile-long paved Scotch Ridge Nature Trail, or gain direct access to the Summerset Bike Trail. All this combined makes Carlisle a great place to live and raise a family.

On behalf of the City of Carlisle, I would like to invite you to our great city. I think you will see why Carlisle really is “The Natural Choice.”

Mayor Drew Merrifield and the Carlisle City Council

THE CARLISLE 7 IN 7 PLAN

Through the long-term planning process, city officials noted seven major projects they feel were key priorities between 2020 and 2027. When these projects were discussed and put into the plan noted above, they fell within the next seven years. This developed into the Carlisle 7 in 7 Plan that tackles seven major projects in seven years. Those projects include:

- **City Hall Facility Renovations** – Completed!
- **Police Department Facility Renovations** – Completed!
- **Library Facility Renovations** – Public Referendum in 2024
- **Scotch Ridge Road Improvements** – Completed!
- **School Street Reconstruction – Phase 2** – Completed!

- **Fifth Street Reconstruction – School Street to Highway 5** – Completed!
- **Avon Lake Watermain Improvements** – Completed!

We are almost half done with our 7 in 7 Plan! All but one project is past the bidding phase, with several in construction and nearing completion. These exciting infrastructure and facilities improvements address long-term concerns as well as set us up for future growth.
