etc!graphics is proud to be part of the Carlisle Business Community and part of the Carlisle Chamber. And we are grateful to be this month's Small Business Spotlight! Small Businesses are the backbone and lifeblood of any Community. The courage that we see right here in our own small town of Carlisle, Iowa, inspires us daily and fuels our work.

It is why we exist! We want to help fuel your small business fire, and help your small business grow—By Design.

Small business is so much harder than it looks. Since starting our business in 1988, we have experienced the same evolutions and revolutions and upheavals—from economic meltdowns, to pandemics—right alongside every other small business. We know just how challenging it can be. Today, though the exact circumstances have changed, the challenges are pretty much the same. Even with the odds stacked against us, every day is another Adventure! Becoming an entrepreneur is one of the most rewarding experiences a person can have. Small business grows leaders. It grows the people who work for you. And it grows Communities. What's not to love?

Business Spotlight

It's our goal here at **etc!graphics** to keep your small business humming. We work every day to help small businesses not only to survive, but to thrive. When it comes to marketing, we know it's not only what you say, but how you say it! From interior and exterior signs, vehicle graphics, and displays, to Identity Design and print marketing, we want to help you build your Brand. When you work with **etc!graphics** we won't just sell you what we've got-we will tailor the solution to fit your need. We will ask you all the right questions to ensure your graphics serve your purposes. We will help you find the focus, impact, and harmony you need to make your message connect with your customer, and to create your own unique Visual Voice.

No one understands the level of dedication, passion, and commitment required to operate a small business quite like another small business owner. We would be delighted to help you make your little corner of the world a more beautiful place, one customer at a time. That's the purpose of small business-to make the world better for having been here.

We wish you graphic success!
