Papercake Creations

Papercake Creations was established in 2010 with an Etsy shop, following my first craft show. I started selling handmade journals at a few shops in Des Moines and eastern Iowa while selling at more craft shows. In 2013 I joined the Downtown Des Moines Farmers Market and am still a vendor. The Market is what helped my business to grow and led to opening my shop in Carlisle this summer.

My shop features my handmade journals and other items, along with amazing handmade items from other local and area makers as well: jewelry, baby gifts, soap & candles, greeting cards, fun t-shirts for youth & adults, and unique home decor. Part of the shop is devoted to a growing selection of new & used books, and there are also unique vintage items.

Business Spotlight

I hope that people in Carlisle will take advantage of the opportunity to buy a unique gift locally or just treat themselves to something fun and support a small business at the same time.

For updates & first glimpses of what's new in the shop, be sure to follow Papercake Creations on Facebook & Instagram.

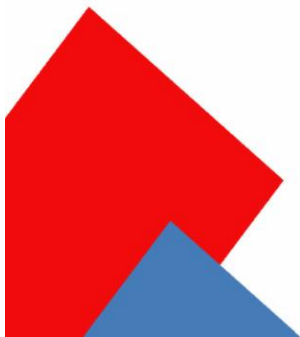

And be sure to save the date for my holiday open house on December 13 & 14! Everyone is welcome.
