Carlisle Business Community,

On behalf of the City, I invite you to attend an upcoming informational meeting regarding the School Street – Phase 3 Project.

As a valued member of the Carlisle business community, your input and awareness are important to us as we prepare for this important project. These meetings will provide an overview of the project scope, anticipated construction timeline, traffic management plans, and expected impacts to local businesses. There will also be an opportunity to ask questions and share feedback. City Engineer Mitch Holtz, Public Works Director Tony Rhinehart, and myself will be in attendance to provide opportunities for one-on-one discussions as well.

Two meeting times are available on Wednesday, March 4:

- 9:30 a.m.
- 5:30 p.m.

Both meetings will be held in City Council Chambers at City Hall (100 N. 1st Street).

You are welcome to attend the session that best fits your schedule. Both meetings will cover the same information. We are currently working on an informational section for our website that will provide the information as well as house project updates as we move forward.

Our goal is to ensure that business owners and stakeholders are fully informed and have the opportunity to engage with the project team prior to the start of construction. Your participation will help us better understand and address the needs of the business community during the project.

We look forward to your participation.

Sincerely,

Deven Markley, MPA
Carlisle City Administrator
