"Business Spotlight" Carlisle Hardware Stop In - Support Our Local Businesses

Business Spotlight

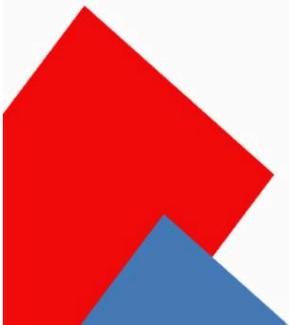

Carlisle Hardware is your local go to hardware and rental store for all of your DIY needs. Chris Sampson started with the company as co-manager in 2017 and purchased it in 2018. He transitioned from True Value to Do it Best in 2023 because he saw the writing on the wall for True Value. In 2024 True Value declared bankruptcy and Do It Best bought them for pennies on the dollar.

We here at Carlisle Hardware are sons and daughters of Carlisle. Three out of four of our staff graduated from Carlisle in 2006. The fourth staff member is a teacher at Carlisle High. One of our two volunteers grew up in Carlisle. Paula is a 1971 graduate of Carlisle schools and Chris' Mom.

We are your trusty local hardware and rental store for all of your home improvement needs. We strive to offer quality products at fair prices. We have a wide variety of products from power tools to nuts and bolts to vinyl records to animal feed and home goods. We even have an earring and women's apparel section! If we don't have what you are looking for, we will order it for you and it will be here by the following Wednesday. We are your local UPS drop-off. We also have a small fleet of rental equipment that includes boom lifts, a skid loader and a dump trailer. Plus, our greenhouse will be installed in March awaiting flowers and plants to arrive late April.

Carlisle (and surrounding areas) is our business. We don't have any other locations so our sole focus is you. We are on a never-ending mission to serve this beautiful community as best we can and to remain viable so that we may continue to do so.
