Mike Siders started Siders Roofing in 2021 backed by 40 years of experience in the roofing industry. We have our own employees and never sub-contract out our work, if there is a problem we take care of it so there is no run around or hassle for the homeowner.

Siders Roofing does new roof installation/replacement on residential homes, providing the highest quality possible by hand nailing every shingle, every time! We do roof repairs, attic ventilation and skylight replacement. We also do free quotes and roof inspections, if you're worried about your roof's condition, Mike will come out and give you a complete and honest assessment.

Our goal is to provide a quality roof at an affordable price backed by the best warranties in the business. Siders Roofing is a BBB Accredited Business with an A+ rating. Stop by our website: sidersroofing.com and check out some of our reviews!!
