Benefits of Belonging to the Carlisle Chamber of Commerce

MISSION STATEMENT: The Carlisle Area Chamber of Commerce promotes the economic vitality of its community, drives community development, and enhances the quality of life for all who live and work in Carlisle.

Why Join the Carlisle Chamber of Commerce?

This is a question we hear from new members, longtime members, and businesses considering whether to renew their Chamber membership. We want to take a moment to share the many benefits and opportunities that come with being a member of the Carlisle Chamber of Commerce.

First, remember this: **you get the most value from your membership when you participate.**

We know everyone is busy, but think of your Chamber membership as an investment in yourself and your business. If you joined a country club but never played golf, you probably wouldn't feel like you were getting your money's worth. Chamber membership is similar—you have to take advantage of the opportunities available to see the full value of your investment.

Your Chamber membership provides opportunities to make connections, increase visibility for your business, and build relationships within our community. You might make connections on a golf course, but the relationships built through an active Chamber membership can have a lasting impact on your business.

Carlisle is a small community with a small but active Chamber. That gives us a unique opportunity to build meaningful relationships and support one another. When our local businesses succeed, our community benefits.

Chamber Member Benefits

Did you know that consumers are more likely to do business with companies that belong to their local Chamber of Commerce? As a Carlisle Chamber member, you have access to a variety of benefits and opportunities that can help promote and grow your business.

All of these events and opportunities are available to help you connect with the right people, increase your visibility, and support the growth of your business.

The Carlisle Chamber may be one of the smaller Chambers in the Greater Des Moines region, but we accomplish a great deal. We can only continue to do that with the support and involvement of our members.

Looking Ahead

As we look ahead to 2027, we encourage our current members to take advantage of the opportunities available through the Carlisle Chamber and get involved. Your membership is an investment in your business, and the more

you participate, the more opportunities you have to build relationships, increase visibility, and make connections within our community.

We also want to hear from you. If you have ideas, suggestions, or feedback about additional ways the Carlisle Chamber can bring value to our members and local businesses, please let us know. Your input is important as we continue to look for new opportunities, programs, events, and partnerships that benefit our members and strengthen our community.

And if you're not currently a Chamber member, we invite you to consider joining us. Chamber membership is an opportunity to connect with other local businesses, increase your visibility, build relationships, and become part of a network working to support and strengthen Carlisle. We believe there is real value in being connected—and we'd love to have you as part of the Carlisle Chamber of Commerce.

If you have questions about membership, upcoming events, sponsorship opportunities, or ways we can better serve our members, please reach out to any Chamber Board member or our Executive Director, **Shar Pardubsky**.

You can also visit the Carlisle Chamber of Commerce website to learn more about membership and upcoming opportunities.

Thank you for being part of the Carlisle Chamber of Commerce.
