Chambers of Commerce

The Norwalk, Carlisle, and Indianola Chambers of Commerce invite you to Rooted & Resilient, a Women's Mentoring Event celebrating the strength that grows through life's challenges.

This inspiring morning features two outstanding speakers, Sue Stuebner President of Simpson College and Sinikka Waugh Owner of Your Clear Next Step, who will share powerful personal experiences and practical insights on resilience, leadership, and caring for yourself while caring for others. Together, their stories will encourage you to embrace life's challenges with courage, hope, and purpose.

Inspired by the Japanese art of Kintsugi, where broken pottery is restored with gold, participants will take part in a meaningful hands-on experience that celebrates resilience, restoration, and growth. It's a reminder that our experiences can become a source of wisdom, strength, and purpose.

In addition to inspiring presentations, you'll have opportunities to connect with women from a variety of industries and backgrounds, exchange ideas, build new relationships, and leave with renewed confidence and encouragement.

Whether you're an emerging professional, business owner, community leader, or simply looking for inspiration, you'll find meaningful takeaways to strengthen both your personal and professional journey.
