The Carlisle Area Historical Society presents our annual history program on October 24th at 5 pm at The Randleman House. Presenters from the Carlisle School Drama Club along with society members will reenact stories from the lives of 8 early area settlers. This event is free and open to the public. Come learn about the hardy individuals who first settled our area.

We will also have a short lecture from Kelly Penman, The Cemetary Guy, about preservation and restoration of headstones.
